

Thank you for your interest in The Settlement Camp Park. I have attached some files, with information about our theatre.

Our theatre building works best for weddings and events in the 75-100 people range. Larger weddings or events are possible but you would have to consider tents and portable toilets on site to accommodate the larger size event. I would strongly suggest visiting, in that it is a rustic space and not for everyone. It definitely is not a catering hall, more of a barn in the woods. Hardwood floors, two bathrooms and a small utility sink are the basic site amenities. Any event specific supplies must be brought (i.e. tables, chairs, caterers prep, etc.). Consider it a blank canvas. We do have a few area rental companies and catering companies, familiar with the layout and specifications of University Settlement Camp that we can provide to you if the need should arise, in order to facilitate the planning of your special event. Please note there is no AC or heating in the theatre.

Tenting is allowed, but does require additional permitting, with additional fees. We have included the tenting application. Events generally wrap up by 12am please consider this with your rental. Our rental season is from Mid-May to the end of October. Mid-July to Mid-August is not a recommended rental period as it can be really hot and buggy at the theatre.

The address for the theatre, is 724 Wolcott Ave. Beacon NY 12508. Our park is open dawn to dusk, so you can get a sense of the setting. If you would like a tour of the theatre, that would have to be scheduled weekdays, between 9am and 3pm.

I have attached our facility request form, and occupancy limits. The theatre is listed on the fees list. The rental fee in 2019, will be \$3500.00, which includes use of the theatre for 3 days, front and rear lawns, and a portion of the field for parking.

Hope this helps and let me know if you would like to check out the space.

From one of our renters in 2015- "University Settlement Camp was a dreamy location to have my wedding! I highly recommend it to anyone who has a rustic/vintage/classic/Americana theme in mind for their wedding. USC is a nearly untouched vintage summer camp nestled into the base of Mount Beacon. We held our ceremony under a tree (with plenty of creative license given) and comfortably sat 75 people in the theater, with a three piece band on the stage and plenty of room for a dance floor. The city of Beacon did an excellent job coordinating our event and they did everything they could to help accommodate us. Congratulations and good luck! - Erin Macchiaroli"
